

Gwange II Primary/Junior Secondary School – Maiduguri

In line with its commitment to revitalizing basic education infrastructure, the **Borno State Education Trust Fund (ETF)** successfully executed key construction and site development projects at **Gwange II Primary/Junior Secondary School, Maiduguri**.

Project Scope

a. Classroom Construction

- Built **one (1) block consisting of six (6) well-ventilated classrooms**, designed to meet modern educational standards and reduce overcrowding.

b. Administrative & Site Development Works

- Constructed a fully equipped **Administrative Block** to enhance school management and operations.
 - **Perimeter fencing** installed to provide a safe and secure learning environment.
 - **Complete interlocking** of the **Junior Secondary School section**, improving accessibility, drainage, and cleanliness on the school grounds.
-

Project Impact

- Increased classroom capacity to accommodate more learners
 - Improved school administration through a dedicated office block
 - Safer, more organized campus layout
 - Cleaner and more accessible school environment
