Government Boys Day Secondary School, Zajiri – Behind Timber Market, Maiduguri Metropolitan Council

In line with its mission to transform the educational landscape of Borno State, the **Borno State Education Trust Fund (ETF)** has successfully implemented a large-scale infrastructure development project in **Zajiri, Behind Timber Market, Maiduguri**.

Project Scope

- a. Construction of Academic and Administrative Facilities
- Two (2) units of **2-storey blocks**, comprising:
 - A total of **30 classrooms** designed to modern standards
 - One (1) Administrative Block to support school management operations
 - Two (2) units of 4-compartment VIP toilets to improve hygiene standards
 - Perimeter fencing to ensure school safety and security

b. Environmental and Aesthetic Enhancements

- Concrete interlocking of the school compound for improved drainage and movement
- Provision of trees and flowers to promote a green and welcoming learning environment
- c. Furnishing and Office Setup
- Complete furnishing of the new Administrative Block, including:
 - Office tables and chairs
 - Cushions and visitor seating
 - Other essential office equipment to support administrative functionality

Project Impact

- Substantial increase in classroom space to accommodate more students
- A well-equipped administrative environment for efficient school management
- Improved hygiene through provision of VIP toilet facilities
- Enhanced school security and aesthetics
- A greener, more inviting atmosphere for students and staff alike
