# Hawul LGA Education Projects – ETF Interventions Across Four Schools

As part of its commitment to enhancing basic education infrastructure in rural communities, the **Borno State Education Trust Fund (ETF)** executed multiple impactful projects across four public schools in **Hawul Local Government Area**. These projects have significantly expanded access to quality learning environments and improved school safety and functionality.

## 1. Kukuruku Primary School, Hawul LGA

- Constructed Six (6) Blocks consisting of Twelve (12) Classrooms
- Installed Perimeter Fence to improve school security

## 2. Kinging Primary School, Hawul LGA

• Constructed Six (6) Blocks consisting of Twelve (12) Classrooms, an Administrative Office, and Perimeter Fencing for secure and organized learning

# 3. Sakwa East Community Day Secondary School, Yimirshika

• Constructed a Two (2) Storey Block with Eighteen (18) Classrooms, offering spacious and modern learning facilities for secondary school students

#### 4. Yimirshika Central Primary School, Hawul LGA

#### a. New Construction

- Z Built Two (2) Blocks of Four (4) Classrooms
- Installed **Perimeter Fence** for safety and structure

#### **b.** Remodeling Works

• Remodeled One (1) Block containing Two (2) Classrooms and an Office, revitalizing the learning space

#### **Project Impact**

- Increased classroom capacity to support growing student populations
- Enhanced learning environments through structural upgrades
- Improved security and hygiene with perimeter fencing
- Provided modern, durable facilities for both pupils and staff

.

Sakwa East Community Day Secondary School, Yimirshika Hawul LGA

Yimirshika Central Primary School, Hawul LGA

Kukuruku Primary School, Hawul LGA

Kinging Primary School, Hawul LGA
