

Shehu Sanda Kyarimi Government Day Secondary School – Jere LGA

As part of ongoing efforts to enhance educational infrastructure across Borno State, the **Borno State Education Trust Fund (ETF)** successfully executed a comprehensive school development project at **Shehu Sanda Kyarimi Government Day Secondary School, Jere Local Government Area**.

Project Scope

This large-scale intervention involved both new construction and extensive remodeling to modernize the school's facilities and provide a conducive learning environment.

Key Highlights:

-  **Construction of Two (2) New Blocks** housing a total of **12 classrooms**
 -  **Remodeling of Fourteen (14) Existing Blocks** comprising **28 classrooms**
 -  Construction and equipping of a modern **Examination Hall**
 -  Establishment of a functional **Library**
 -  Construction of **Two (2) Science Laboratories**
 -  Provision of a **School Mosque** to support spiritual development
 -  Renovation of the **Administrative Block** for effective school management
 -  **Perimeter fencing** to ensure security and controlled access
-

Project Impact

- Expanded classroom capacity for better student-teacher ratios
 - Improved academic resources including labs and library
 - Safer, more organized school environment
 - Enhanced spiritual, academic, and administrative infrastructure
 - Strong support for holistic student development
-

Project Gallery

Include visuals of classroom blocks, library, labs, mosque, admin block, and perimeter fence.
